### DECISION APPEALED FROM, OR INTERPRETATION DESIRED:

Relief from Zoning Code Section 223-41.18 (D)(5) Rear Yard setback requirement of 25 feet, to allow a setback of 10 feet.

Relief from Zoning Code Section 223-41.18 (F)(2)(a) requirement for 1 parking space per residential unit, to allow zero parking spaces

### REASON SUPPORTING REQUEST:

The lot size does not support the full 25 foot setback. It is not feasible to build the project if the

To: Dave Buckley Building Dept.

I have enclosed a copy of my survey from 100 Rombout with a proposed sketch of the work that I would like to be done on my property. I am under the impression that due to building code laws that I may need to apply for a variance for this work to be done.

Proposal #1- 18 x 22 one car garage. It would be 5 feet off the back property line from the listed Bowles/ Lawrence property. 1 foot off the side property line 102 Rombout listed as Maguire (now Carbone).

Proposal #2 - a 15 x 20 one room , 2 story addition to the back of the 100 Rombout house.

This is my first time working with the Building Dept. on a project like this and I am not aware of the variance process. Could you please let me know what the next step would be moving forward.

Thank you,
